

HIGH COUNTRY GLASS

High Country Glass Referral Program with Quarterly Drawing

At High Country Glass, we celebrate the influence of satisfied customers who share the story of our exceptional glass services. Welcome to our Referral Program – an opportunity for you to earn rewards while joining us in expanding our impact.

How It Works

Refer a Job:

- Whether you're a current or past customer or a devoted advocate of High Country Glass, refer potential clients in need of commercial or residential glass services.

Job Confirmation:

- When your referral results in a confirmed job with a signed contract, congratulations! You become eligible to receive a referral reward.

Completion and Payment:

- As the referred project successfully concludes, and we receive payment from the client, you will be issued a check for \$200 as a tangible token of our gratitude.

Terms and Conditions:

- Referrals must be submitted through our official referral form, providing all necessary details.
- Referral rewards are exclusively applicable for new clients who haven't engaged with High Country Glass before.
- The referred project must qualify as a commercial or residential glass project, and the contract must be signed within 90 days of the referral.
- Your \$200 referral reward will be issued within 30 days of High Country Glass receiving full payment from the referred client.
- There's no cap on the number of referrals you can make – the more you refer, the more you can earn.
- Referral rewards are non-transferable and will only be issued to the individual making the referral.
- High Country Glass reserves the right to modify or terminate the referral program at any time.

Special Quarterly Drawing:

- For every referral you make, your name will be entered into our quarterly drawing.
- Example: Refer 5 clients, get your name entered 5 times in the quarterly raffle.

How to Refer:

- Visit our website and effortlessly navigate to the "Referral Program" section.
- Provide accurate information about the potential client, including their contact details and the nature of the glass project.
- Sit back, relax, and let us take care of the rest!

Thank you for being a valued part of High Country Glass. We appreciate your trust and confidence in our services. Start referring today, and not only watch your rewards grow but also stand a chance to win big in our Quarterly Drawing!
